

MEET DETERRA

THE SAFEST, MOST EFFECTIVE WAY TO DISPOSE OF DRUGS

DETERRA IS THE SOLUTION

PROVEN & PRACTICAL

Detera® is the only independently tested, scientifically-proven system that permanently deactivates drugs—easy for anyone to use.

PREVENTION AT THE SOURCE

Stop drug misuse before it starts. Detera helps to prevent diversion, misuse, and accidental ingestion—at home or in healthcare settings.

ENVIRONMENTALLY RESPONSIBLE

Detera keeps drugs out of water systems and landfills—a safer, sustainable alternative to flushing or throwing them away. Plus, the pouches are made with over 50% plant-based materials.
